Spanish Tile

MORE
than just
roofing

Roof Systems' Spanish Tile profile is designed to simulate the look of the classic clay tile; giving the elegant appearance of the clay tile without the weight and cost. The Spanish Tile panel is the favourite choice for architects and homeowners alike, who want to achieve a "villa-type" design for their buildings/homes. With the Spanish Tile, you don't have to substitute beauty for performance!

HEAD OFFICE:
Lot #62, Frederick Settlement
Industrial Estate, Caroni.
